Christine has 37 years of nursing experience in a variety of settings. She began her nursing career in England as a Registered Nurse and went on to become a State Certified Midwife.

She began her work in home health care in California and gained a certification in Enterostomal Therapy at U.S.C. She then worked as an enterostomal Therapist specializing in ostomy and wound care at Cedars Sinai Medical Centre in Los Angeles.

She also has a background in education and worked with pre-nursing students and adult education at Nelson and Colne Community College in England.

Christine joined Florida Palliative Home Care in June 2004 as Clinical Supervisor and advanced to Director of Clinical Services.
